OUR MISSION

To provide a local forum to promote the development and exchange of concepts and techniques for improving the professional treasury functions.

This mission is accomplished through education, communication, recognition and representation of the interests of Nebraska AFP members and the treasury management profession.

OUR HISTORY

A regional affiliate of the Association for Financial Professionals (AFP), the Nebraska AFP is a nonprofit organization serving the growing field of treasury management.

Our membership is made up of corporate treasury managers, cash managers, commercial bankers, consultants, providers of treasury management products and services, government agencies and nonprofit organizations.

Nebraska AFP was formed in 1984 to create a local forum providing education, communications, and networking services to improve the treasury management profession.

OUR PROMISE

- Increase the awareness of management of the treasury function
- Develop a thorough understanding of the professional and vocational characteristics and needs of its members
- Provide educational opportunities to members through programs designed to address their current needs in their performance of their duties and enhancements of their careers
- Be proactive with respect to governmental legislation and regulation, banking standards and industry issues as they affect members interests
- Maintain financial stability
- Continue to recognize and endorse the AFP Code of Conduct (Section IV)
